

i'M BACK!

HELLO
FROM YOUR
ELF

Oh, how I've missed you this year. Santa sent me back from the North Pole, to play and spread Christmas cheer and remind you to be good!

I'll stay in the house if that is alright. I'll stay put during the daylight and report to Santa at night. Remember not to touch me or I lose my magic power.

I love seeing you spread love and kindness-making a positive difference every day. Remember to stay clean taking baths. Brushing teeth and combing hair gets extra credit.
